REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT  
COUNCIL

C.E. Murray Middle School is located in Greeleyville, SC sharing a campus with C.E. Murray High School. The school has a history of academic, athletic, and cultural excellence. All faculty and staff members are highly qualified caring individuals who provide a safe, clean, and academically enriched environment for our children. Our goal is to ensure that all students, who are promoted to the ninth grade, possesses those skills needed to successfully navigate a rigorous high school academic curriculum which will prepare them for college and/ or a career. In May 2014, 95% of our middle school students matriculated to the ninth grade. We have fully implemented the MMGW comprehensive academic program and are accredited by AdvanceED until 2017. Our students have made consistent gains on state assessments over the past four years. Beginning with the 2011-12 term, the school has received the State Palmetto Gold and Silver awards. During the 2013-14 school term, C.E Murray High/ Middle School was recognized as a “Cool School” by Channel 2 News for its mentoring and character education programs. Since the school is a Race to the Top Carolina Consortium for Enterprise Learners Grant recipient, all students and staff members will receive one- to -one electronic devices. The goal of the grant is to provide the opportunity for students to become Enterprise Learners who will be able to develop, pursue, and attain rigorous learning and living goals that will prepare them for college, careers, and citizenship. All administrators and teachers will engage in professional development that will improve their skills in providing engaging and rigorous personalized standards-based curriculum, instruction, and assessments to address the needs and interests of each student. The school is in its third year of implementing a 21st Century Community Learning Center After School and Summer Bridge Programs Grant. The school is also the recipient of the SC HEAP Grant which has afforded our students the opportunity to tour various college campuses. Some of our accomplishments for the 2013-2014 school year include: several students won numerous district and state awards for their artwork; several clubs and organizations received numerous commendations and awards for donating/volunteering for Foster Care Agencies and nursing homes, sponsoring Toys for Tots and Pennies for Patients Campaigns, and for supporting Vital Aging. FBLA students placed 1st-4th in both district and state competitions. Five students were accepted at the Governors School for Math and Science in their summer STEM program. In the area of athletics, students have the opportunity to participate in basketball, football, volleyball and golf. The school’s Middle School Girls Basketball team won the Upper Pee Dee Region Championship. Although consistency in student achievement and motivation, along with building meaningful enduring productive parental and community relationships, remain challenges for the school, we are making progress in these areas. We will continue to focus on involving our parents and community members in our efforts to provide meaningful and appropriate educational experiences that will prepare our children to be responsible citizens and lifelong learners in this global technology rich society. We embrace the concept that all students can learn when given the opportunity and time to engage in relevant, meaningful, challenging, and appropriate academic activities that will meet their present and future needs.

Dr. Janice Murray Gamble, Principal                      Rev. Charlie Fulton,  
SIC President
